Ryan Lloyd @Ryanelloyd
assessment doesn't have to prove that we are the only ones who got a student to reach an outcome... it's ok to be a contributor #ACPARCI

Champions are not super human. Be a champion. Get help with the process. #ACPARCI

What is one word that describes your #ACPARCI experience so far?

@upnorthkathleen for me, I would say- Validating! #ACPARCI #redhawks

Resistance is a sign of progress. If you're not experiencing resistance, you're not doing anything new. A quote reference by @edwardsk14 #ACPARci

"If you ask questions on the fly, they won't be for deeper level thinking. Lesson plans make educators reflect and plan better" #ACPARCI
